Add a profile – Adding a PIN

6. Enter a PIN: An arbitrary string of characters

The screenshot shows a mobile application interface for setting up a new Checkware system. The main screen is titled 'New Checkware System' and contains the following fields:

- Uri: `https://mycheckware.com/`
- Phone number: `700015`
- Username: `cgrabmaier`
- Password: `••••••••`

A modal dialog box titled 'New user PIN' is displayed in the center. It contains the following text:

New user PIN

Please enter a new user PIN. The PIN is only used on this device and may differ from your Checkware password.

PIN

CANCEL **OK**

At the bottom right of the main screen, there are two buttons: a green 'SAVE' button with a checkmark icon and a red 'CANCEL' button with an 'X' icon.

Add a profile – Adding a PIN

7. Confirm your PIN

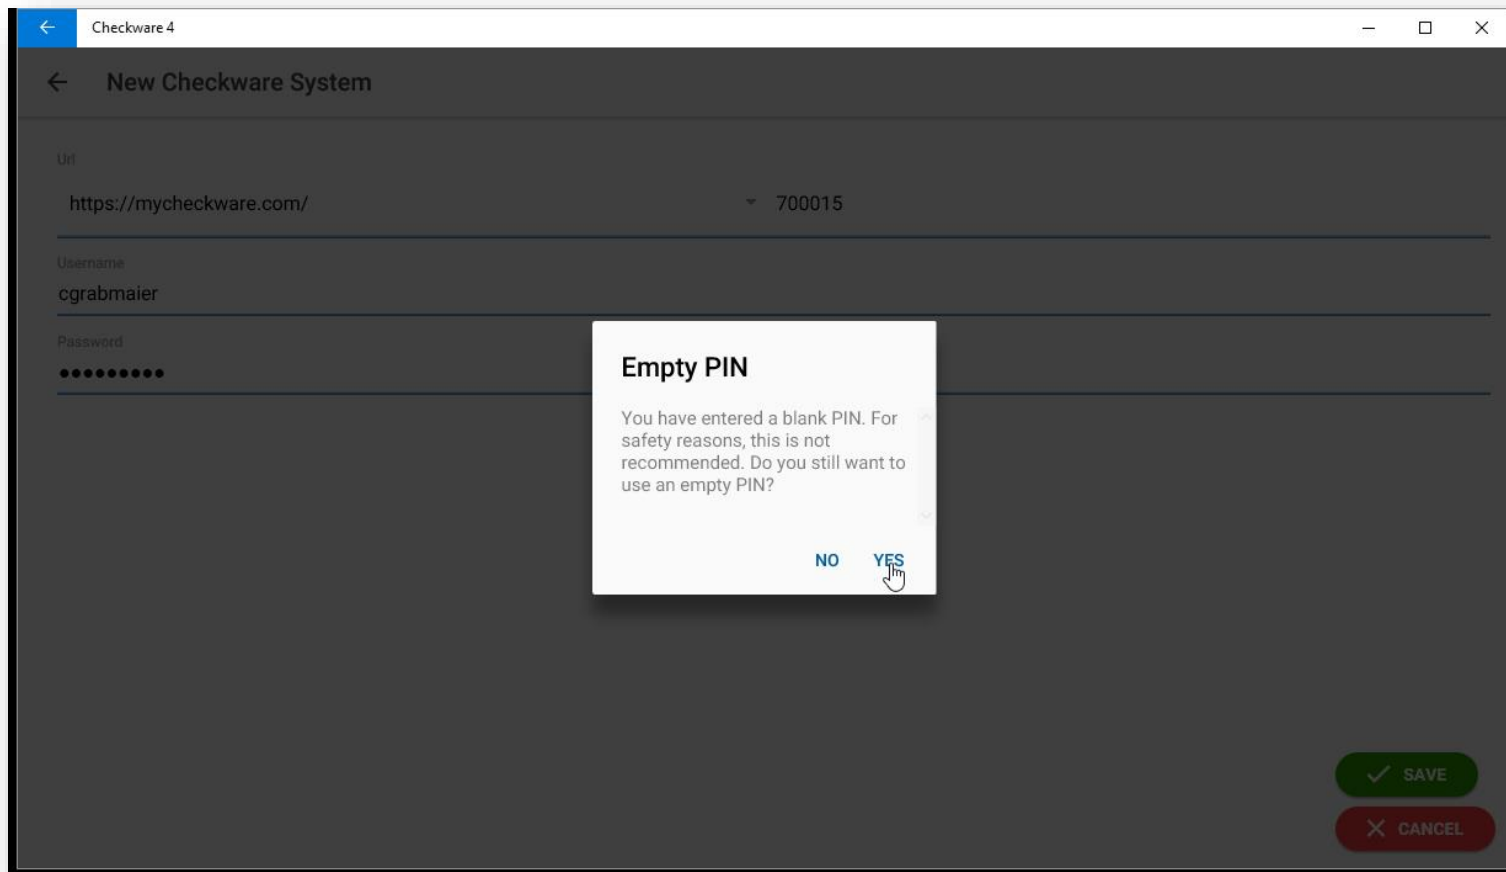

The screenshot shows a mobile application interface for adding a new Checkware system. The main form is titled 'New Checkware System' and contains the following fields:

- Url:** https://mycheckware.com/
- Country:** 700015
- Username:** cgrabmaier
- Password:** (masked with dots)

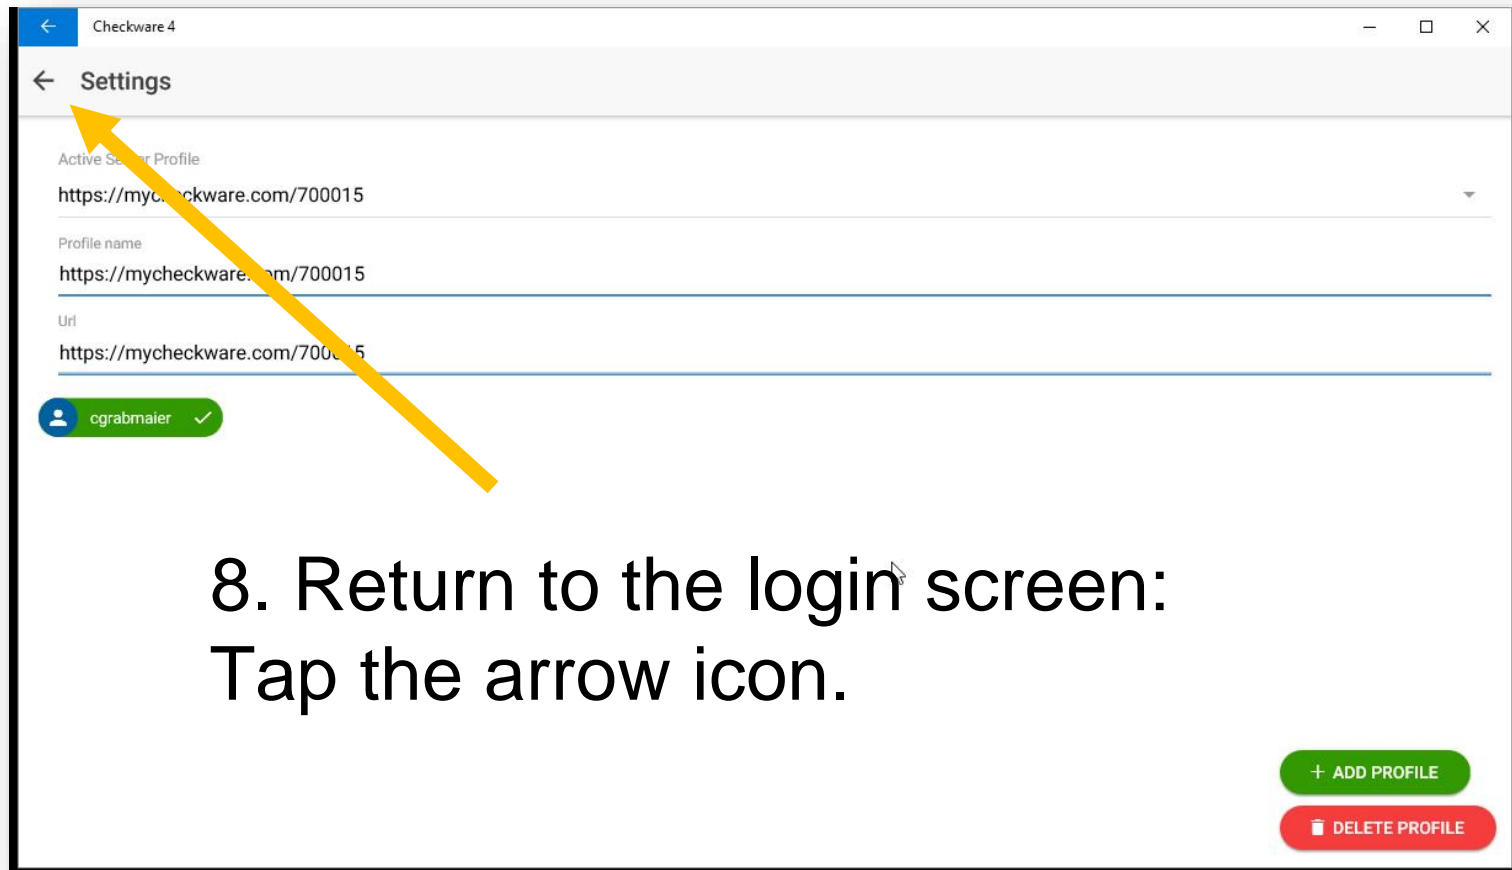

A modal dialog box titled 'Repeat PIN' is displayed in the center, with the text 'Please repeat PIN' and a text input field containing 'PIN'. The dialog has 'CANCEL' and 'OK' buttons at the bottom.

At the bottom right of the main form, there are two buttons: a green 'SAVE' button with a checkmark icon and a red 'CANCEL' button with an 'X' icon.

Additional confirmation when PIN is empty.

Add a profile – done!

Login

The screenshot shows a mobile application window titled "Checkware 4". The main heading is "checkware" in a large blue font, with "DIGITAL CHECKLIST MANAGER" in a smaller blue font below it. The URL "https://mycheckware.com/700015" is displayed above the login fields. There are two input fields: "User" containing "cgrabmaier" and "PIN" which is currently empty. Below the fields is a blue "LOGIN" button with a white hand cursor icon, and a blue settings gear icon to its right. At the bottom center, it says "© New Solutions - Version 4.2.5". In the bottom right corner, there is a green button with a plus icon and the text "ADD USER".

9. Insert your PIN

10. Tap „Login“

Synchronisation

11. Wait for the synchronization process to finish.

The screenshot displays the 'Synchronization' window in the Checkware 4 application. The window title is 'Checkware 4'. The interface shows the following details:

- Server:** `https://mycheckware.com/700015`
- Interval:** 30 seconds, represented by a slider.
- Last Sync:** Indicated by a refresh icon.
- Next Sync:** Indicated by a clock icon.
- Total:** A progress bar showing 80% completion.
- Current step:** A progress bar showing 12% completion.
- Data Transfer RoleUser:** A progress bar showing 0% completion.

An 'ADD USER' button is visible in the bottom right corner of the window.

Start Working

The image displays two overlapping screenshots of the 'Checkware 4' mobile application. The top screenshot shows the 'My checklists' screen with a search bar and two checklist items: 'Counter Inspection Revision 1.0' and 'Installation / Repair Revision 1.0'. The bottom screenshot shows the 'Installation / Repair *' checklist form. It is divided into 'General' and 'Details' sections. The 'General' section includes questions about work order handover and superior notification, each with 'OK', 'Not OK', and 'Not applicable' response buttons. A text input field for 'description of flaw' is also present, along with 'Resolved immediately' and 'Photo' options. The 'Details' section includes questions about workplace clearance, potential damage, and correct execution, each with the same three response options. A red warning triangle icon is visible on the right side of the 'General' section.

12. Fill in your checklists.
